## The Photobooth!

For a full explanation of what the Photobooth is about go to our website – [www.rentaboth.co.uk](http://www.rentaboth.co.uk)

It is proving to be as much a part of the wedding entertainment and it is such a fun way to make sure that *all of your guests* are photographed on your wedding day.

The majority of professional photographers finish their work after the cake cutting or the speeches. That is where we come in. Your guests take their own shots *in the privacy of our Photobooth*.

We are currently offering a deal where, if you book both Pixels Photography *and* the Photobooth, you will save £100.00 on the price of the Photobooth.

Please note that the two services are totally separate. You can book one without the other!

*This is ongoing offer.*
